

# XXI INTERNATIONAL SYMPOSIUM ON MATHEMATICAL METHODS APPLIED TO THE SCIENCES and

## *III Latin American Conference on Statistical Computing*

**San Jose, Costa Rica, February 27th- March 2nd, 2018**

### **TOPICS:**

- Data Analysis
- Multivariate Statistics
- Classification
- Data Mining
- Statistical Computing
- Optimization
- Operations Research
- Probability
- Stochastic Processes
- Numerical Analysis
- Approximation
- Modeling
- Financial Mathematics
- Biomathematics
- Dynamical Systems
- Optimal Control
- Differential Equations
- Applications

### **LANGUAGES:**

English and Spanish

### **PARTICIPATION:**

- Invited Sessions: [Submissions](#)
- Short courses (3 hours)
- Short communications (20 min)
- Posters
- Only participation

### **IMPORTANT DATES:**

- Abstracts deadline: November 30th, 2017
- Notification to authors: December 15th, 2017
- Publication of the preliminary program: January 5th, 2018

**SUBMIT  
ABSTRACTS
